## SCIENTOLOGY: An all out advance for Man by L. Ron Hubbard

Scientology assumes that every man can be more able than he is. And then goes ahead with very precise techniques to make him so.

Nothing like this has EVER happened before.

A body of knowledge has arisen, has been codified, has been tested, which does certain specific and spectacular things which does not belong lock, stock and barrel to any vested interest in the world. This is fantastic. This has never occurred before.

Dianetics and Scientology today are free. They have no commitments. The organizations have no commitments, because the research and development was done with the finance and the assistance of the people of the organizations themselves. There was no huge subsidy.

There's something to be said for freedom. There's something to be said for an enterprise and an activity which is done by its own people on their own finance and with their own will to win and not because somebody is paying them a fat salary.

We've had very lean times. But always somehow somewhere we've managed to work a little harder, just as the good people of Dianetics and Scientology have managed to work a little harder, find a couple of more dollars, which is just about the way it has run. And the end result is that the people of the world, represented by the people in Dianetics and Scientology, own this whole trunkful of material which can resolve the problems of the human mind.

What would have happened today if the Ford Founda-

tion or some other organization had handed into my hands or the hands of the organization some huge sum of money and had said "here now, here we go"? We would be here today knowing nothing about organizations and probably 75% of the material which we have amassed would not be present. There's a difference between doing things with a dollar and doing them with a will. And not all the money in Christendom could buy the wisdom of Dianetics and Scientology.

We have carried forward from small results, but better than man had before, small organizations that were no bigger than they had to be, up to a point where we've got a good sound functioning organization which is financially very capable, that is to say it's paid its bills, doesn't have thousands and millions of dollars, but it's paid its bills, and it can carry along and do what it's supposed to do.

And more important than that, we have processes today which we could absolutely rely upon to raise somebody's ability. And we could certainly straighten them out so that they could decide whether they wanted to die or wanted to live. And, if they were not acutely ill, we could do a great deal for them. We don't know any cases too far south, if they are simply mediumly well and not acutely ill or completely insane—that's far south merely because there's hardly any person there at all. But not given that, we have hit pretty much rock bottom. We can take any of the cases now, and we can straighten them out.

We can straighten out any organizational problems that we have, even though some of them might appear greater to you than they do to me.

We have then arrived. We can do what we say we can do.

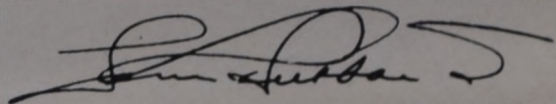

It means a better life for an awful lot of people, a much better life.

We've not only arrived, we've arrived without being owned. We've arrived with nobody to say us nay about how we use what we know.

We don't have to use what we know to sell this or that or push this or push that. We don't have to repress a paragraph here and a book there. We can say anything we know.

And because we ourselves, you, me, people in the organizations, can say what we want to say, and use the material any way that we think it should be used, it will then be used for greater freedom and for an all out advance for Mankind.

And that's why I'm here.

FOUNDER

excerpted from the lecture "Goals of Dianetics and Scientology", 1955, by L. Ron Hubbard, part of the Saint Hill Special Briefing Course.

## The Advances of Scientology Come to You RIGHT FROM SOURCE in L. Ron Hubbard's Books

- [1] **DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH**, By L. Ron Hubbard, 1950, 410 pgs. \$7.

The passing of time since its first publication 24 years ago has only served to prove the truths contained in this million seller. Here are the answers to the problems of the human mind. This book reveals for the first time the source of all unwanted behavior. You'll understand other people far better than you thought possible, and you yourself will feel a whole lot better after you've read Dianetics, the Modern Science of Mental Health.

- [2] **DIANETICS '55!** By L. Ron Hubbard, 1955, 168 pgs. \$5.

Dianetics '55! is actually the follow-up to Dianetics, the Modern Science of Mental Health. It contains the fundamentals of communication and the increase of ability.

- [3] **FUNDAMENTALS OF THOUGHT** By L. Ron Hubbard, 1965, 128 pgs. \$4.

Exactly its title states, this compact book gives the fundamentals of thought in Scientology. Chapters on the parts of man, the causation of knowledge, and other basics contain a great many useful answers to the problems of Man as a spiritual being.

- [4] **THE PROBLEMS OF WORK** By L. Ron Hubbard, 1956, 96 pgs. \$4.

Anyone who has or wants a job, or who wants to move ahead, really owes it to himself to read this book. The simple methods described in this book make working less tiring, more efficient and even more fun. Whether one is self-employed, a laborer, a secretary or an executive, this book makes work a lot more enjoyable.

- [5] **SCIENCE OF SURVIVAL**, the prediction of human behavior, By L. Ron Hubbard, 1951, 550 pgs. \$7.

Build around the Hubbard Chart of Human Evaluation, this detailed book analyzes human behavior on an easily understood scale of emotional response. With this book one need never be buffeted by the winds of chance. Personalities are predictable.

- [6] **SELF ANALYSIS** By L. Ron Hubbard, 1951, 112 pgs. \$5.

A book of tests and processes the reader can easily use by himself to greatly increase awareness, ability, memory and zest for living.

- [7] **SCIENTOLOGY 8-8008** By L. Ron Hubbard, 1953, 152 pgs. \$5.

The relationship of the spirit to the physical universe, and the flows between the two are explained in this revealing study. How the ability of the spirit can be increased from zero to infinity is the fascinating subject of this book.

- [8] **CREATION OF HUMAN ABILITY** By L. Ron Hubbard, 1954, 292 pgs. \$6.

The individual, wanting to be freer and more able, too easily finds himself more and more entangled by life. This handbook of spiritual technology is a unique description of the way out of the traps of human existence to a new life of vastly increased ability.

- [9] **THE PHOENIX LECTURES** By L. Ron Hubbard, 1968, 352 pgs. \$7.

This book explains the principles of Buddhism, Christianity and other religions in simple terms. The religious tradition of wisdom which concerns itself with the soul is carried forward by Scientology.

- [10] **DIANETICS, THE ORIGINAL THESIS** By L. Ron Hubbard, 1951, 157 pgs. \$5.

Here is the first manuscript on Dianetics, written in 1947. The simple axioms set out in this researcher's thesis are still the basics of the subject today. This highly readable technical outline of the original Dianetics was the first hope for a workable way to improve Man's ability and well being.

- [11] **SCIENTOLOGY: A NEW SLANT ON LIFE** By L. Ron Hubbard, 1965, 160 pgs. \$3.

Life is lived by real people. They laugh, cry, have problems and, sometimes, find happiness. The essays in this book tell you why and what you can do to bring these things under your control. This book helps clear away the mysteries of life.

**12 MISSION INTO TIME** By L. Ron Hubbard, 1973, 73 pgs. \$6.

"On the hill, there will be a tower. . ." This is the highly entertaining account of a research expedition L. Ron Hubbard undertook to test his recollection of past lives. Through reports of the missionaries, color photos, maps and diagrams, you will see for yourself the results of the test. The most complete biography of L. Ron Hubbard ever printed is also included in this book.

**13 SCIENTOLOGY 8-80, The Discovery and Increase of Life Energy in the Genus Homo Sapiens** By L. Ron Hubbard, 1952, 110 pgs. \$3.

The discovery and isolation of life energy has been an ambition as old as Man himself. This volume details L. Ron Hubbard's discoveries. It contains the factors necessary for the rehabilitation of life energy, giving its control back to the individual.

**14 DIANETICS, THE EVOLUTION OF A SCIENCE** By L. Ron Hubbard, 1950, 105 pgs. \$4.

The informal story of exactly how a practical, engineering approach to the human mind led to the discovery of Dianetics, the first mental therapy that WORKS predictably to free the individual of aberrations.

**15 HISTORY OF MAN** By L. Ron Hubbard, 1952, 78 pgs. \$4.

A concise history of where you've been,

what you have done and how you've done it over the past 60 trillion years.

**16 HAVE YOU LIVED BEFORE THIS LIFE?** By L. Ron Hubbard, 1958, 175 pgs. \$5.

Most people think they have, but don't know for sure whether anyone else knows it or not.

When Dianetics touched off the "Bridey Murphy" craze of the fifties, conservative practitioners were justifiably upset.

Here, quite conservative trained Scientologists have tested a series of 42 cases. Their findings are in this book.

**17 SCIENTOLOGY 0-8** By L. Ron Hubbard, 1970, 159 pgs. \$5.

For the first time, the scales, axioms, codes and a full description of Scientology as a subject have been collected into one handy reference book.

**18 INTRODUCTION TO SCIENTOLOGY ETHICS** By L. Ron Hubbard, 1968, 68 pgs. \$3.

A handbook on the purpose of ethics, the formulas you can use to change conditions, and the ethical codes of Scientology.

**19 ADVANCED PROCEDURES AND AXIOMS** By L. Ron Hubbard, 1951, 114 pgs. \$4.

A concise account of the types of cases one encounters and advanced dianetic techniques used to cases and resolve them. Contains the 194 Dianetic axioms on the nature of life force, plus glossary.

## Training Improves Your Ability to Use the Data in Ron's Books

L. Ron Hubbard writes about a great many processes for improving human ability in his books.

Your nearest Church of Scientology offers courses with practical drills, taped lectures and written bulletins that supplement Ron's books to train you in the correct use of these processes.

Your first auditor training course gives you the exact way to do Dianetic counseling, as refined in 1969 on the Hubbard Standard Dianetics Course. You will be able to bring another person to the state of well and happy human being when you graduate this course as a Hubbard Dianetic Counselor.

Next is the Primary Rundown, which improves your ability to study so that you can easily put what you read directly into action. This rundown (consists of both training and auditing) is given free as the first part of the Level 0-IV package which follows it.

Each level from 0 to IV (collectively called Academy training) consists of materials selected from the Saint Hill Special Briefing Course about one subject: at Level 0, communication; Level I, problems; Level II, the hostilities and sufferings of life (and how to give relief from them); Level III, upsets (and how to bring freedom from them); Level IV, fixed conditions (and how to enable someone to move into doing new things.)

After each of these compact training levels (each level about 2 weeks full time) you are able to audit another to a state of release from difficulty on the subject of the level.

Knowing the anatomy of these basic parts of life greatly increases your ability to handle them in your own life as well.

Academy training answers a lot of your questions about people and Scientology processing. It re-inforces what you have already learned through Ron's books and makes much more of the data useful to you. Your next step is then full training at ASHO, on the rest of Scientology.

Walk into your nearest Scientology Church to start your training today. Courses are offered full time or part time. See the back of this issue for the Church nearest you.

## 24th Anniversary of DIANETICS! May 9, 1974

Scientologists celebrate the 24th anniversary of DIANETICS by L. Ron Hubbard.

Twenty four years ago, on May 9, 1950, the first book on Dianetics was published: **DIANETICS: The Modern Science of Mental Health.**

L. Ron Hubbard explains how this history-making book was born:

"A psychiatric textbook publisher knew that I studied in the field of man and knew I'd been studying ethnology and anthropology, two very tough words which merely mean study of what man does and has done, and he asked me if I wouldn't please write a textbook that gave the various things which I had found and discovered. We expected this to sell about 6000 copies. I was in actual fact going to go to Greece to head an expedition and was all set to go when this textbook was published. It hit the top of the New York Times best selling list and it just stayed there, month in, month out."

This was the beginning spark. It fanned from there by word of mouth into an explosion of demand.

So great was the power of the hope unleashed that groups of people practicing Dianetics from this first book sprung up like mushrooms overnight.

Since May 9, 1950, this vibrant movement has been forged into efficient religious organizations that deliver more exact and simple training on the freeing of the human spirit than even 1950 Dianeticists dared dream possible.

To date, it is estimated that DIANETICS has sold almost two million copies. Within the last year, DIANETICS has advanced further into Europe in complete French and Swedish translations.

With Scientology advancing faster than ever and the future growing brighter with each passing week, Scientologists all across the world on May 9, 1974 celebrated the first publication of the book that started it all: L. Ron Hubbard's **DIANETICS, The Modern Science of Mental Health.**

## Successful Saint Hill Special Briefing Course Graduate starts with "Advanced Procedure and Axioms"

How does a farmer find Scientology? Class VI Intern Mark List tells how Scientology came into his life:

"Back in 1970 I moved to a farm in upstate New York with a group of people with the intention of starting a Rock Carnival. As reality hit upon us, as well as the unpaid bills, we bought into a dairy farm. We bought over 100 head of livestock and lost 4/5ths of our crew. That left myself and my friend Peter Pinchot milking cows.

We worked 10-14 hour days just doing chores. As we became more experienced in our work, we created more time, so that we had 30 minutes for reading at night.

That's when I came across **ADVANCED PROCEDURES AND AXIOMS** by L. Ron Hubbard. I was immediately interested in the workability of this technology. There was no mystery. No seven levels of transcending orders of light to the unlimited eye of never ending bliss.

Here was a 'roll-up-your-sleeves-let's-see-how-this-works' philosophy that said if you don't believe it, try it. And for a couple of cow farmers, that hit the nail right on the head.

After that hoary winter we sold the herd and Peter went to do the Saint Hill Special Briefing Course. I joined him shortly thereafter.

Today Peter's an OT I, Class VI, and I'm OT II, Class VI. The farm in upstate

Saint Hill Special Briefing Course Graduate Mark List became interested in Scientology when he found Ron's **Advanced Procedures and Axioms** applied to living things on his farm.

New York is now a thriving community of Scientologists with several going businesses. And I'll be setting up another Scientology community in Vermont come July 1st, where I'll be doing agricultural research as well as running a Scientology mission.

As a Briefing Course graduate you have the data to apply to life. As an interned Class VI you have the ability to apply it. Being an auditor means making things go right."

## Gain the Abilities and Freedoms of Clear

You can be CLEAR, just as Ron promises in his books.

The dream of Man has come true. At Clear you are truly yourself, free to think the thoughts you want to think, free to be the way you want to be.

L. Ron Hubbard has advanced Scientology techniques to the point where Clearing is a simple, step-by-step process today, safe and easy for anyone.

Each grade of auditing up to Grade VI Release brings you a new level of spiritual freedom closer to Clear.

You get your auditing to Grade IV from a professional minister at your nearest Scientology Church or mission, or by co-auditing with fellow students as you move up the training route. You get Grade V and VA (Power and Power Plus Release) at ASHO, then Grade VI Release at the Advanced Organization in Los Angeles.

As a Grade VI, you are now ready for the big step—CLEAR itself—at the AO. Donation: \$800. (If given well in advance, you qualify for 5% discount).

### START NOW GO CLEAR!

For full details on Grade VI, Clear, and what lies beyond, write the Church of Scientology of California, Advanced Organization Letter Registrar, 916 South Westlake, Los Angeles, California 90006.

## Ron's Books Move Into Bookstores Across the U.S.

ASHO Publications has launched a national campaign to make L. Ron Hubbard's books available to the broad public by placing them in all the bookstores in the U.S.

So far, at least 270 bookstores have been given Ron's books to sell.

Field Staff Members of Scientology Churches are invited to assist in this rewarding distribution project. Packs containing the know-how needed are obtainable upon request. In just the last few weeks letters have poured in from FSMs all over the country asking to participate, and many FSMs have already begun contacting their local bookshops.

To get promotional materials and information, just write Church of Scientology of California, Publications Organization, 2723 W. Temple St., Los Angeles, California 90026.
